Choose family run or  
smaller stays

For more authentic, more  
affordable and unique  
experiences

We use Booking.com to build up our  
loyalty rewards and only purchase  
through the app for big savings.

Book activities in  
advance

Use apps like Get Your Guide to book  
activities with trusted reviews & easy  
cancellation. Save 5% on first bookings  
with our code **TERIAPOPOLOTRAVEL5**

Don't over plan your days

Allow time for slow meals,  
strolls through the streets  
and stress free travel.

Make long journeys  
easier

With well thought out toys and  
books for children

We use trips to detox as much as possible from screens and make sure to bring a few handy toys and activities for long journeys. You can find our favourites in our Amazon storefront in our bio.

Purchase e-sims before  
your travel

Avoid extra charges on your standard phone plan by purchasing an e-sim before travel. We use Holafly - they have e-sims in over 200 destinations. Save 5% with our

code: **GOPOPOLO**

Create capsule  
wardrobes to avoid over  
packing

Think layers, interchangeable items, two  
pairs of shoes. Save the stress & pack  
less is our motto.
